Amerinet Member Conference Postponed Due to Flood Emergency in Nashville

St. Louis (May 5, 2010) – Amerinet Inc., a leading national healthcare group purchasing organization, today announced its 2010 Member Conference, scheduled for May 17-20 at the Gaylord Opryland Hotel and Convention Center in Nashville Tennessee, has been postponed due to severe flooding at the hotel and throughout the area.

“Because this is an important meeting for Amerinet and our customers, we are working to secure a new date and location for later in 2010,” said Todd Ebert, Amerinet president and CEO. “We are in constant communication with the property and our members, suppliers and employees to assist in addressing questions and concerns.”

“Although Amerinet is disappointed about the postponement of our Member Conference, we look forward to the continued support of our members and suppliers and are positive that our rescheduled event will provide valuable solutions to their organizations,” said Ebert. “Most important, we offer our thoughts, prayers and support to those affected by these devastating floods.”

Ebert noted the [American Red Cross](#) has activated a mobile giving text donation effort in response to the historic southern floods. People can send a \$10 donation to help those affected by disasters across the country by texting ‘REDCROSS’ to 90999.
